

## Fertility Expert Forum 2022, 30<sup>th</sup> & 31<sup>st</sup> of July 2022

A collaborative event between SASREG, Merck and Next Genetics

This is a kind reminder that virtual and in-person registration is still open to join the Fertility Expert Forum 2022, taking place at the @Sandton Hotel, Johannesburg on the weekend of 30th & 31st of July.

This year's event will see us engaging with key international and local faculty, as they discuss relevant topics that are sure to provide you with valued insights into the challenges and changing landscape that surrounds fertility.

Please click on the registration link below to book and secure your seat at the Fertility Expert Forum 2022, and ensure that you send through your proof of payment to [sam@thornleysav.co.za](mailto:sam@thornleysav.co.za)

Click to RSVP
