IBSA takes great pleasure in inviting you to the third edition of the **narture** event:

9, 10, 11 September 2022
Lugano, Switzerland
LAC Lugano Arte e Cultura

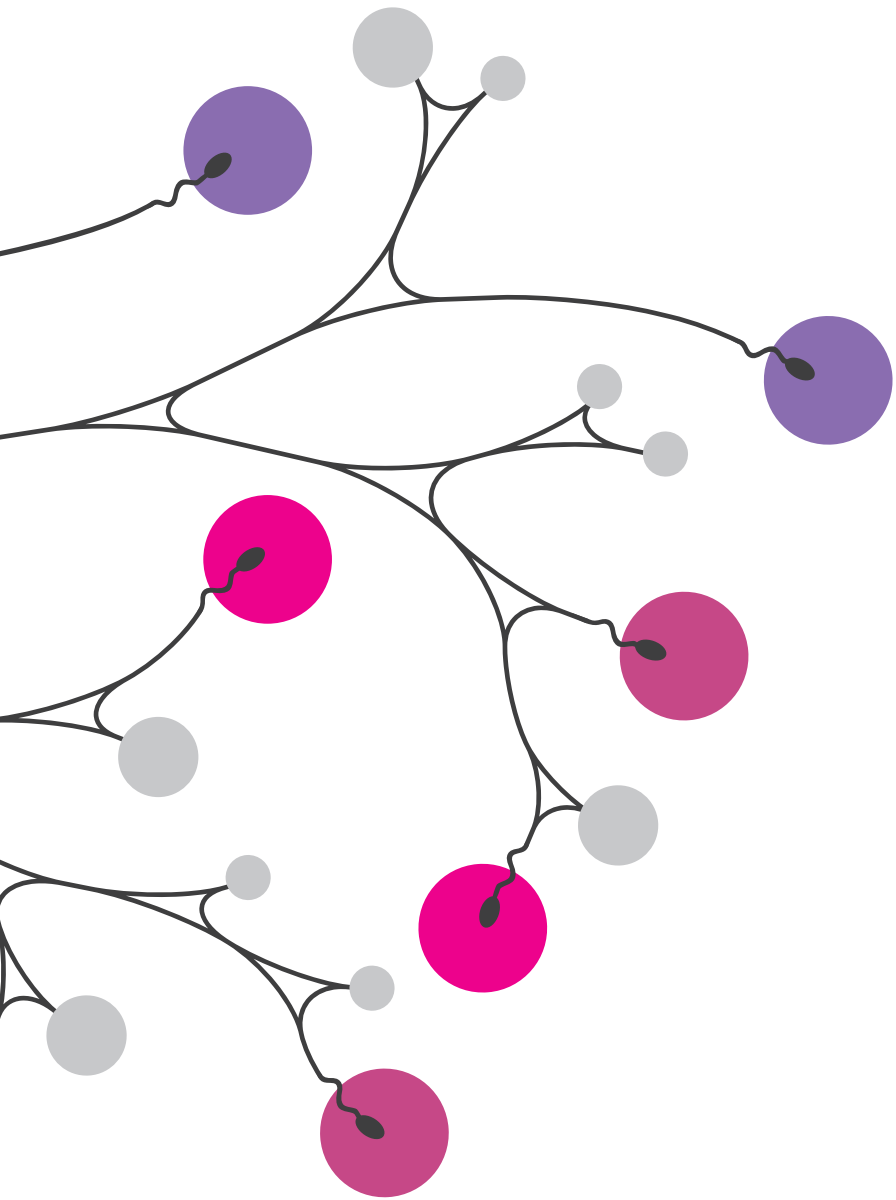

Narture International Summit on Reproductive Medicine will feature the brightest minds in the fertility arena sharing their best practice and innovation in a truly outstanding location: Lugano's new cultural center, LAC.

This unprecedented pairing of Science and Art will be developed over 3 days in a balanced program of interdisciplinary, deep scientific exchange and exciting cultural expression.

International Summit on Reproductive Medicine

SCIENTIFIC PROGRAMME

Day 1 Afternoon Friday September 9, 15.30 - 18.15

Inspiration

14.00-15.30 **Registration**

15.30-15.40 **Welcome**

Dr. Arturo Licenziati, President and CEO IBSA
Silvio Dionisi, IBSA

15.40-16.00 **Why narture?**

Paola Fasola, IBSA

Music: Forever young, Alphaville

Plenary lectures

Chairmen: D. de Ziegler, C. Andersen

16.00-16.30 – The genetics of ovarian aging

John Perry, United Kingdom

16.30-17.00 – Ovarian rejuvenation: impending reality

Sonia Herraiz, Spain

17.00-17.30 – State-of-the-art in uterus transplantation

Mats Brännström, Sweden

Music: Africa, Toto

Special lecture

Chairman: D. de Ziegler

17.30-18.15 – Warriors, wildlife & women:

big cat conservation in Tanzania & beyond

Amy Dickman, United Kingdom

18.15-19.30 **Get together cocktail**

SCIENTIFIC PROGRAMME

Day 2 Morning Saturday September 10, 09.00 - 12.45

Innovation

Music: Heal the world, Michael Jackson

Lectures

Chairmen: R. Anderson, P. Humaidan

(20 min lectures + 5 min Q&A)

09.00-09.25 – Endocrine disruptors in maternal diet with an impact on fetal life

Daniela Romualdi, Italy

09.25-09.50 – Environmental influences on female reproductive function

Antonio La Marca, Italy

09.50-10.20 **Coffee break**

10.20-10.45 – Human spermatogenesis: is there a deterioration? Perspectives from the new WHO guideline

Christopher Barratt, United Kingdom

10.45-11.10 – Impact of paternal age on reproductive outcomes and offspring

Csilla Krauz, Italy

11.10-11.30 **Moving to deep dives**

SCIENTIFIC PROGRAMME

Day 2 Morning Saturday September 10, 09.00 - 12.45

Interaction

11.15 -12.45 **In parallel 'Deep dives' on:**

Chairwoman: L. Rienzi

1. When is there a place for fresh Embryo Transfers?

José Serna Lopez, Spain

Chairman: C. Andersen

2. Impact of ovarian stimulation on endometrial implantation

Nick Macklon, United Kingdom

Chairman: C. Blockeel

3. Progesterone priming ovarian stimulation and duo stim

Alberto Vaiarelli, Italy

Chairman: D. de Ziegler

4. Luteal phase support in frozen cycles

Elena Labarta, Spain

12.45-14.00 **Lunch**

narture[®]

International Summit on Reproductive Medicine

SCIENTIFIC PROGRAMME

Day 2 Afternoon Saturday September 10, 14.00 - 15.40

Innovation

Music: Simply the best, Tina Turner

Lectures

Chairmen: L. Rienzi, C. Blockeel

(20 min lectures + 5 min Q&A)

- 14.00-14.25 – New perspectives on embryo testing
Willem Verpoest, Belgium
- 14.25-14.50 – Why some euploid blastocysts do not implant
and why aneuploid blasts may implant
Danilo Cimadomo, Italy
- 14.50-15.15 – Does recurrent implantation failure really exist?
Shari Mackens, Belgium
- 15.15-15.40 – Resident, visitor or alien microbiota and chronic
endometritis
Ettore Cicinelli, Italy

19.00-23.00 **Dinner**

SCIENTIFIC PROGRAMME

Day 3 Morning Sunday September 11, 10.00 - 13.00

Impulse

Music: Honesty, Billy Joel

Lectures

Chairmen: D. de Ziegler, C. Andersen

(25 min lectures + 5 min Q&A)

10.00-10.30 – The measurement of success

Ernesto Bosch, Spain

10.30-11.00 – Can evidence and practice co-exist?

Yacoub Khalaf, United Kingdom

11.00-11.30 **Coffee break**

Music: We are family, Sister Sledge

11.30-12.00 – The end of donor anonymity by genetic design

Joyce Harper, United Kingdom

12.00-12.30 – Challenges of gamete donation in same sex couples:

where medicine, ethics, human rights and politics meet

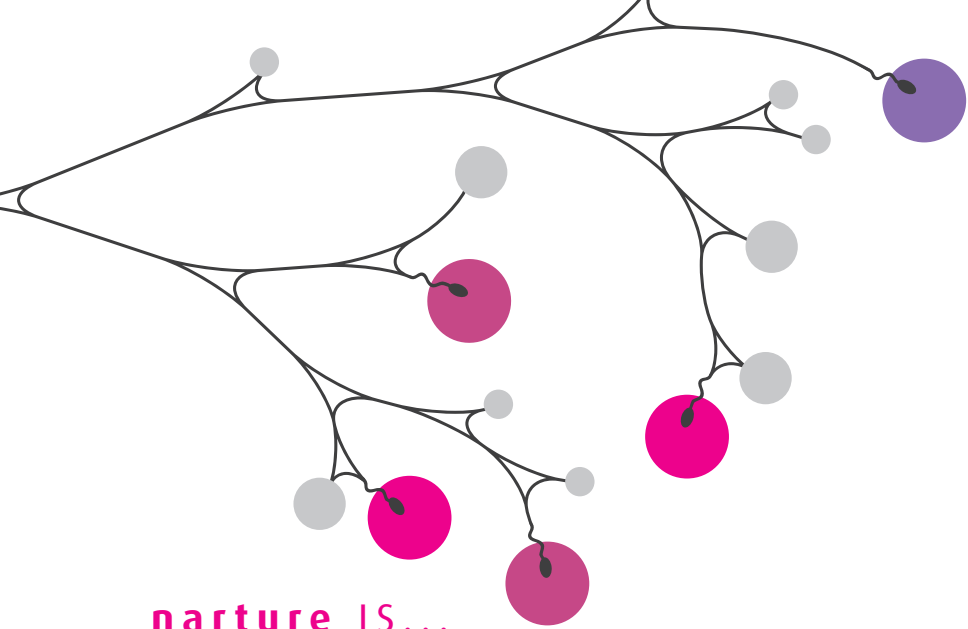

Petra De Sutter, Belgium

12.30-12.45 **Final remarks (Scientific Board)**

12.45-13.00 **Closing ceremony**
