

# SCIENTIFIC PROGRAMME OF FORUM OF SOLIDARITY FOR UKRAINIANS

Saturday, October 1, 2022

Starting at 8:15 am (Central European time), 9:15 am Ukraine (Kyiv), 4:15 pm AEST

<b>8:15 AM</b>	Welcome words from moderators <b>Christos Venetis</b> , Australia, <b>Roman Lytvynenko</b> , Ukraine
<b>8:30 AM</b>	Role of genetic thrombophilias in IVF treatment strategy <b>Ben Mol</b> , Australia
<b>9:00 AM</b>	Reimagining ovarian stimulation in a brave, new freeze-all world <b>Christos Venetis</b> , Australia
<b>9:30 AM</b>	Novel strategies to reduce the impact of ovarian stimulation on the luteal phase <b>Nick Macklon</b> , UK
<b>10:00 AM</b>	A prognosis based approach to unexplained infertility <b>Siladitya Battchacharya</b> , UK
<b>10:30 AM</b>	New perspectives and therapeutics <b>Ernesto Bosch</b> , Spain
<b>11:00 AM</b>	Shall we continue to use FET cycles for ovulatory women? – what is the future for the FET protocols? <b>Georg Grisienger</b> , Germany
<b>11:30 AM</b>	Optimising the FET IVF cycles' type (luteal phase burdens, markers and support) <b>Elena Labarta</b> , Spain
<b>12:00 PM</b>	Endometrial receptivity and RIF; role of chronic endometritis <b>Jessica Subira</b> , Spain
<b>12:30 PM</b>	Opening the black box: why do some euploid blastocysts fail to implant? <b>Danilo Cimadomo</b> , Italy
<b>12:50 PM</b>	The clinical impact of the endometrial microbiome <b>Carlos Simon</b> , Spain
<b>13:10PM</b>	Technologies of 3-D echography in reproductive gynecology <b>Nelly Volyk</b> , <b>Olha Romanova</b> , Ukraine
<b>13:50 PM</b>	Contemporary approaches and consequences in endometriosis treatment <b>Roman Lytvynenko</b> , Ukraine
<b>14:10 PM</b>	Endometriosis: novel markers and latest treatment approaches <b>Hortensia Ferrero</b> , Spain
<b>14:30 PM</b>	To what extent can reproductive surgery aid reproduction <b>Valerie Schutyzer</b> , Belgium
<b>14:50 PM</b>	Individualisation of ovarian stimulation <b>Christophe Blockeel</b> , Belgium
<b>15:20 PM</b>	Optimize ART outcomes per started cycle: more oocytes result in more good quality embryos resulting in higher cumulative live birth rate, avoiding OHSS <b>Thomas D'Hooghe</b> , Belgium
<b>15:40 PM</b>	Endometrial genomic signature and personalized embryo transfer. Genomic precision diagnostics; IVF phenotypes and value for ART programmes <b>Patricia Diaz Gimeno</b> , Spain
<b>16:00 PM</b>	Discussion and take home messages <b>Christos Venetis</b> , Australia, <b>Olha Romanova</b> , Ukraine, <b>Danilo Cimadomo</b> , Italy, <b>Roman Lytvynenko</b> , Ukraine

Sunday, October 2, 2022

Starting at 8:15 am (Central European time), 9:15 am Ukraine (Kyiv), 4:15 pm AEST

8:15 AM	Welcome words from moderators <b>Santiago Munne</b> , Spain, <b>Bert Smeets</b> , Netherlands, <b>Roman Lytvynenko</b> , Ukraine
8:30 AM	Automatisation of IVF lab <b>Santiago Munne</b> , Spain
9:00 AM	PGT for de novo mutations <b>Nick Murphy</b> , Australia
9:30 AM	Uterine lavage for eggs retrieval <b>Moses Cesario</b> , USA
10:00 AM	The value of noninvasive preimplantation diagnostics <b>Carmen Rubio</b> , Spain
10:30 AM	Contemporary state and possibilities of preimplantation genetic diagnostics and its correct application <b>Antonio Capalbo</b> , Italy
11:00 AM	Reproductive options for the prevention of the transmission of mtDNA diseases <b>Bert Smeets</b> , Netherlands
11:30 AM	The role of mitochondrial DNA in fertilisation outcome. <b>Jus S. John</b> , Australia
12:00 PM	Embryo attempts for self-correction; the clues for noninvasive euploidy prediction <b>Marcos Meseguer</b> , Spain
12:20 PM	AI - augmenting our capabilities in IVF <b>Gerardo Mendizabal-Ruiz</b> , Mexico
12:40 PM	Prenatal diagnostics after PGT-A; what is the need in accuracy for diagnostics <b>Margaryta Nikolenko</b> , Ukraine
13:00 PM	Influence of insociable war on genetic and reproductive potential of Ukrainians <b>Margaryta Nikolenko</b> , Ukraine
13:20 PM	The Endometrial Receptivity Analysis – Clinical application <b>Maria Ruiz</b> , Spain
13:40 PM	Embryos self-correction in preimplantation development/mosaic embryos development potential <b>Denny Sakkas</b> , USA
14:00 PM	Take home messages and highlights <b>Santiago Munne</b> , Spain, <b>Olha Romanova</b> , Ukraine, <b>Bert Smeets</b> , Netherlands, <b>Antonio Capalbo</b> , Italy, <b>Roman Lytvynenko</b> , Ukraine
