

PROGRAMME

Friday 2nd December

13:00h – Light lunch
Foyer 3th floor

Introductory session

- 14:30h – Welcome to II Summit
Joaquín Llácer (Ginefiv, GeneralLife IVF, Madrid)
- 14:45h – Present and future of GeneralLife
Marcos Bueso (CEO of GeneralLife IVF)
- 15:00h – Company presentation
Silvio Dionisi (IBSA)
- 15:15h – Scientific management of
GeneralLife: roles, boards and how
to get involved
Danilo Cimadomo (Clinica Valle Giulia, GeneralLife
IVF, Rome)

Session 1: A focus on oocyte and embryo vitrification: any novelty?

Chairs: Roberta Maggiulli (Clinica Valle Giulia, GeneralLife IVF, Rome) and Laura Blasco (Ginefiv, GeneralLife IVF, Madrid)

- 15:30h – Oocyte vitrification: any progress in
protocols and management?
Speaker:
Miguel Gallardo (Ginemed, GeneralLife IVF, Lisbon)
Discussant:
Laura Mifsud (Ginefiv, GeneralLife IVF, Barcelona)
- 15:55h – Long-term cryo-storage and
universal warming: any effect on
gametes and embryos?
Speaker:
Stefano Canosa (Livet, GeneralLife IVF, Turin)
Discussant:
Valentina Spadoni (9.Baby, GeneralLife IVF, Bergamo)

Lectio Magistralis

- 16:20h – Should we report mosaicism in PGT
cycles? Better Not
Antonio Capalbo (Juno Genetics)

16:40h Coffee Break

Session 2: Controversial topics in the IVF lab: sperm DNA fragmentation, abnormal fertilization, and poor embryo quality

Chairs: Cristina Lagalla (9.Baby, GeneralLife IVF, Bologna), Darina Krutinova (Ferticare, GeneralLife IVF, Czech Republic) and Silvia Colamaria (Clinica Valle Giulia, GeneralLife IVF, Rome)

- 17:00h – Sperm sorting and sperm DNA
fragmentation in IVF.
Facts and fiction.
Speaker:
Vicente Badajoz (Ginefiv, GeneralLife IVF, Madrid)
Discussant:
Roberta Vallefuoco (Clinica Ruesch, GeneralLife IVF,
Naples)
- 17:25h – Abnormal fertilization: dynamics and
implications. Opportunities for
clinical rescue?
Speaker:
Giovanni Coticchio (9.Baby, GeneralLife IVF, Bologna)
Discussant:
Steinunn Thorsteinsdottir (Livio, GeneralLife IVF,
Reykjavik)
- 17:50h – Day7 and poor-quality blastocysts:
an overview
Speaker:
Federica Innocenti (Clinica Valle Giulia, GeneralLife
IVF, Rome)
Discussant:
Claudia Tomás (Ginemed, GeneralLife IVF, Lisbon)

Session 3: Patient focus: environment and nutrition

Chairs: Francesca Bongioanni (Livet, GeneralLife IVF, Turin), Elisabetta Chelo (Demetra, GeneralLife IVF, Florence), and Cina Nyberg (Livio, GeneralLife IVF, Kungsholmen)

- 18:15h – Obesity, weight reduction treatment
and IVF
Speaker:
Snorri Einarsson (Livio, GeneralLife IVF, Reykjavik)
Discussant:
Elisabetta Trabucco (Clinica Ruesch, GeneralLife IVF,
Naples)
- 18:40h – Personalized nutrition in female
infertility management: time to
focus on chronic low-grade
inflammation
Speaker:
Gemma Fabozzi (B-Woman, GeneralLife IVF, Rome)
Discussant:
Mónica Aura (Ginefiv, GeneralLife IVF, Barcelona)

**Social Dinner and GeneraLife scientific
award 2022 ceremony at TEATRO REAL
from 20:30h onwards**

Saturday 3rd December

08:50h – Welcoming and introduction to the day2 of the summit
Claudia Blancafort (Ginefiv, GeneraLife IVF, Madrid)

09:00h – Company presentation
Esben Bruun Mortensen (Cooper Surgical)

Session 4: KPIs and ovarian stimulation: time to brainstorm on novel perspectives?

Chairs: Cristina Garello (Livet, GeneraLife IVF, Turin), Alberto Revelli (Livet, GeneraLife IVF, Turin), and Anna Karin Lind (Livio, GeneraLife IVF, Gothenburg)

09:15h – Key Performance Indicators in the IVF lab: time to update the Vienna Consensus?

Speaker:
Carlotta Zacà (9.Baby, GeneraLife IVF, Bologna)
Discussant:
Ester López (Ginemed, GeneraLife IVF, Madrid)

09:40h – Clinical Key Performance Indicators: cues for a consensus and room for improvement

Speaker: Alberto Vaiarelli (Clinica Valle Giulia, GeneraLife IVF, Rome)
Discussant:
Johan Fistouris (Livio, GeneraLife IVF, Gothenburg)

10:05h – When and how to prevent patient drop-out? Clinical and managerial strategies

Speaker: Francesca Bongioanni (Livet, GeneraLife IVF, Turin)
Discussant:
Thomas Brodin (Carl von Linnékliniken, GeneraLife IVF, Uppsala)

Session 5: Management of difficult patients in IVF: endometriosis, PCO and poor prognosis

Chairs: Petr Uher (Ferticare, GeneraLife IVF, Czech Republic), Andrea Borini (9.Baby, GeneraLife IVF, Bologna), and Giovanni Monni (GeneraLife Cagliari, GeneraLife IVF, Cagliari)

10:35h – Endometriosis and IVF: management and outcomes

Speaker:
José Metello (Ginemed, GeneraLife IVF, Lisbon)
Discussant:
Nan Birgitte Oldereid (Livio, GeneraLife IVF, Oslo)

11:00h – PCO and IVF: management and outcomes

Speaker:
Gianluca Gennarelli (Livet, GeneraLife IVF, Turin)
Discussant:
Claudia Blancafort (Ginefiv, GeneraLife IVF, Madrid)

11:25h – Poor prognosis patients in IVF: definitions and treatment strategies

Speaker:
Joaquín Llácer (Ginefiv, GeneraLife IVF, Madrid)
Discussant:
Pascual Sánchez (Ginemed, GeneraLife IVF, Sevilla)

11:50h Coffee Break

Session 6: Non-invasive technologies in the IVF lab: from time lapse to artificial intelligence

Chairs: Xinxin Lin (Ginefiv, GeneraLife IVF, Barcelona), Monica Alarcón (Ginefiv, GeneraLife IVF, Madrid), and Giovanni Coticchio (9.Baby, GeneraLife IVF, Bologna)

12:15h – Time-Lapse microscopy for embryo selection: results from a multicenter RCT

Speaker:
Aisling Ahlström (Livio, GeneraLife IVF, Gothenburg)
Discussant:
Valentina Casciani (Clinica Valle Giulia, GeneraLife IVF, Rome)

12:40h – Non-invasive PGT-A: myth or reality?

Speaker:
Alessandra Degl'Innocenti (Demetra, GeneraLife IVF, Florence)
Discussant:
Nicoletta Barnocchi (Genera Umbria, GeneraLife IVF, Umbertide)

13:05h – Artificial Intelligence in the IVF laboratory: why now?

Speaker:
Danilo Cimadomo (Clinica Valle Giulia, GeneraLife IVF, Rome)
Discussant:
Alessandro Bartolacci (9.Baby, GeneraLife IVF, Bergamo)

13:30h – Closing remarks

Speakers:
Laura Rienzi, Filippo Maria Ubaldi (Clinica Valle Giulia, GeneraLife IVF, Rome) and Joaquín Llácer (Ginefiv, GeneraLife IVF, Madrid)

GeneraLife
II WORLD SUMMIT
2022 | MADRID
